

The **comsys** Maritime VSAT Report

4th edition

We're sorry – the brochure for the 4th Edition of the Maritime VSAT Report is currently in production. Please check back here later or call us if you need any further information.

What customers said about previous editions of the report:

Congratulations on an excellent piece of work; a classic reference source for all with an interest in Maritime VSAT.

Michael Collins, CEO
Vizada

One of the most valuable pieces of information we have ever got into the company.

Jens Ewerling, Product Line Manager Satcom
Maritime Business Unit, Thrane & Thrane

I'm really impressed with the quality of your analysis. Nice job on this report!

Jim Dodez, VP Marketing and Strategic Planning
KVH Industries, Inc.

This is an extremely well done and insightful report. Truly remarkable

David Danon, Principal
BainCapital Private Equity

Excellent report!

Dave Kagan, CEO
MTN
